

To whom it may concern

NordTech Consulting & Trading Company has from 2013-03-01 the exclusive rights for selling and distributing the NVA balers programme in the territory of Saudi Arabia and Oman.

The product programme consists of baling presses (NP models) with spare parts, accessories and equipment.

NordTech has the responsibility of taking care of new customers/inquiries in the territory as well as maintenance and support of the products.

Ronneby, Sweden, March 14, 2014.
